PROGRAM OVERVIEW:

Survey activity is getting back to normal after the PHE, and surveys have been increasingly tougher and more thorough. During this webinar, the presenter will discuss the most frequently cited deficiencies on survey in 2023 and key trends to be aware of. Attendees will learn tips for systems enhancement that can be implemented in their organizations to reduce the likelihood of a deficient practice being identified on their next survey.

Participants in this webinar will:

- *Recognize the most frequently cited F-tags on surveys in 2023 in New York*
- *Learn about key areas to focus on for better survey outcomes*
- *Understand key trends in New York survey activity*

TARGET AUDIENCE:

Administrators, Executive Directors, Nursing Staff, and other Interdisciplinary Team Members

OUR SPEAKER
